JDL Surface Innovations, Inc.
922 SE 14th Place
Cape Coral, Florida 33990

JDL Surface Innovations, Inc. has performed several projects for South Florida Painting And Waterproofing Co., Inc., which includes coating removal and surface preparation for new coatings. The projects were performed in a timely manor, on/or ahead of our projected schedules.

The quality of work performed was above satisfactory as far as a finished project and cleanliness was observed during the project at all times.

JDL's employees are highly skilled and knowledgeable in their perspective work. The employees are also courteous and conscious about the needs for our customers.

We will continue to use JDL for our projects in the future and South Florida Painting And Waterproofing Co., Inc. highly recommends them.

Sincerely,

SOUTH FLORIDA PAINTING AND WATERPROOFING CO., INC.
