Polish Concrete/ Epoxy Installer

239-772-0077

We offer great pay and exciting job advancement, varied projects from residential to industrial that are challenging and interesting, expert mentorship from a very seasoned foreman.

We are a growing polish/epoxy company based in SW Florida that offers its employees a safe, dependable, and fun place to work.

JDL Surface Innovations has been servicing the polishing/epoxy needs in Florida for over 10 years and uses only the best equipment and material to get the job done right, and is known for the great care we take with clients and employees alike.

- Our projects have been featured in trade magazines.
- We believe in doing a quality job and providing excellent customer service.

We're looking for a polish concrete/epoxy installer. The pay range we're offering is negotiable depending on experience and aptitude, the sky is the limit. We are willing to train and help advance anyone motivated to reach the next rung.

- We offer all the tools and equipment needed to perform the job. Installers are responsible to have their own personal protective equipment such as hard hat, safety vest, and gloves.
- We also give continual education trainings that will increase your knowledge and allow JDL to always provide the most desired projects that our clients want.

Requirements:

- Physical strength, stamina, and ability to work well with your hands.
- Valid driver's license and being comfortable working with heavy machinery.
- Take pride in your work and work well with a team.

Responsibilities:

- Assist tradesman on flooring projects.
- Unload and carry materials on job sites.
- Install polished concrete and/or epoxy flooring systems

JDL is based in Cape Coral, FL. This is a great place to live because of the fantastic weather, it's a growing area with lots of opportunities, and is family oriented with an emphasis in outdoor recreation year-round.

- This is a great company to be part of. We offer a place to grow your skills and grow your income!
- Work and live in one of the most desirable areas in the country.
- Enjoy the creative nature of polish concrete /epoxy where every job is not just a work of art... but *your* work of art!
